On the Campus of Eastern Washington University
Eastern Washington University
Located in Cheney, Washington. Just a 20 minute drive from campus and you’re in the second largest city in the state of Washington. Spokane, population 350,000, is noted as being the heartland of the Inland Northwest. EWU competes at the NCAA Division I level and is a member of the Big Sky Conference.

Eagle Success
In the past five seasons (1999-2005), Eastern has the best Big Sky Conference record of any other league team with a mark of 58-30 (66 percent). The Eagles are the first school in 30 years – and the second all-time – to finish second or better in the Big Sky in five-straight seasons. Eastern made its first post-season national appearance as a member of NCAA Division I when the Eagles played in the 2003 National Invitation Tournament, then advanced to the NCAA Tournament in 2004.

Camp Features
• Mike Burns and his staff provide quality, worthwhile instruction for individual and team skill development.
• WIAA Clock Hours (in-state coaches)
• EWU Continuing Education Credits (all coaches)
• High level of team competition. Teams placed in one of four divisions based on size and ability level.
• A minimum of 9 games per team, ALL INDOOR.
• 2 minute situational tournament.
• Certified trainer available at all times during camp.
• Officials provided for all games.
• Eagle Basketball T-shirt for each camper.
• Coaches Social each night.

Facilities, Housing & Meals
Eastern Washington has great facilities for a team camp. The Phase Complex has eight full courts for games, four of which are wood floors and glass boards. The four courts located in the Fieldhouse have a new surface installed December 2005. Housing will be provided in the on-campus dormitories. Each dorm room is designed to house two people. Bathroom and shower facilities are located on each floor. Campers are responsible to bring their own pillows, linens, sleeping bags, towels and toiletries.

The EWU Dining Staff prepares meals at the Tawanka Commons on campus. Beginning with dinner on the first day of camp and ending with lunch on the last day of camp, each camper will be provided with three “All You Can Eat” meals per day.

Payment, Deposit & Refunds
We will only accept one of three forms of payment: 1) one check per school, 2) a school purchase order, or 3) cash. We will NOT accept any personal checks from players.

To reserve your team’s spot, send a $400 non-refundable deposit. Any school requesting to bring more than one team to camp must send a $400 non-refundable deposit. We will not hold a spot for more than one team until we receive the $400 deposit.

Refunds: Refunds for individuals will be negotiated on an individual basis depending upon the circumstances (injury, illness, etc.).

Registration & Team Check-in
Once we receive the included team registration form, we will send a package to each head coach. Included will be individual camper registration forms, team rooming lists, and team check-in instructions. It is critical that each individual camper have insurance information and parent/legal guardian signature. We cannot allow participation in camp until we have this information.

Insurance Information
Eastern Washington Basketball Team Camp does not provide medical insurance. Each camper must have their own medical coverage.

Camp Store
A Camp Store is available for campers. The Camp Store has various clothing items for sale as well as pizza order forms to order pizza which is delivered to the dorms at the conclusion of each camp day.

Message From Coach Burns
Dear Coach:
We would like to invite you, your staff and your team to join us at our 2006 team camp. Our team camp will put you and the needs of your team first and foremost. Our camp will allow you and your team the opportunity to play against great competition at an affordable cost. We all know the importance of playing during the summer, and our camp will allow your kids to grow together as well as develop individually. Every day our staff will provide fundamental instructional clinics for players and coaches alike. There is a great sense of camaraderie amongst the many coaches and teams that come to our camp each summer, and we would love for you and your team to become a part of it. We look forward to seeing you this summer!!

Sincerely,
Mike Burns

Return completed form to:

Upon receiving this completed form, we will send you registration forms for each player, a housing form and dorm check-in information.

NOTE: It is recommended that campers are vaccinated for bacterial meningitis prior to attending a camp at Eastern Washington University. This recommendation is based on the campers being introduced into larger groups with close living quarters such as residence halls. The vaccine is safe and effective (85-90%). It can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops with 7 to 10 days after the vaccine is given and lasts for up to 5 years.
