Welcome to Eastern!

On behalf of Eastern Washington University, let me take the opportunity to welcome you and your team to our campus for the 2004-2005 athletic seasons.

The athletic training room is located on the ground floor of the Pavilion adjacent to Reese Court. The athletic training room is conveniently located for all visiting team locker room facilities and contains various modalities and equipment available for your use.

Included in this brochure are contact information, specific visiting team guidelines, and equipment and supplies provided for each athletic venue at Eastern. If you need anything prior to, during your visit, or have a special request, please don’t hesitate in contacting one of us and we will do our best to accommodate your request.

Once again, welcome to Eastern. We hope your visit is an injury free one.

Brian Norton, MS, ATC
Head Athletic Trainer
