FACULTY RECRUITMENT BULLETIN

Assistant/Associate Professor of Accounting

EASTERN WASHINGTON UNIVERSITY

Department of Accounting & Information Systems

Recruitment Date: Fall 2009

The Department of Accounting and Information Systems at Eastern Washington University’s College of Business and Public Administration is currently seeking to fill two tenure-track positions at the Assistant and/or Associate Professor level. The college is committed to embracing diversity, broadly defined, realizing that a diverse learning environment is crucial for personal and professional success. Applicants must have a strong commitment to quality teaching, research, and service, as well as excellent communication skills. Eastern Washington University is an AACSB accredited regional, comprehensive institution where excellent teaching must be supplemented with an appropriate research program.

RESPONSIBILITIES: Teach undergraduate and graduate courses in accounting. Current needs include all accounting disciplines other than tax. The successful candidate will have a high degree of interest in human and cultural diversity, and interest in teaching a diverse student body. Annual teaching load will be determined each year in accord with university policies and the needs of the department. Active scholarship (including publication) and service are required and supported.

QUALIFICATIONS (Assistant Professor): The preferred selection criteria for this position include:

- A Ph.D. or DBA in accounting or closely related field. ABD’s may be considered; however the doctorate must be completed by November 1, 2011 to be reappointed to a third year;
- Excellent teaching experience or potential;
- Strong research potential;
- Experience working collaboratively and effectively with students, faculty, and administration;
- Teaching experience (with a diverse community of learners) is desirable;
- Professional certification and/or working experience as an accountant is highly desirable.

QUALIFICATIONS (Associate Professor): The preferred selection criteria for this position include:

- A Ph.D. or DBA in accounting or closely related field;
- Excellent teaching experience;
- Evidence of research at a level that would merit appointment as an associate professor;
- Experience working collaboratively and effectively with students, faculty, and administration;
- Teaching experience with a diverse community of students is highly desirable;
- Professional certification and/or working experience as a professional accountant is highly desirable.

Rank and SALARY: Commensurate with qualifications and experience. Summer support is normally available.

DATE OF APPOINTMENT: Preferred starting date is fall 2010; however, other starting dates may be considered.
APPLICATION DEADLINE: Review of applications will begin November 1, 2009 and continue until the position is filled.

APPLICATION PROCEDURE: Submit letter of application, Curriculum Vitae (including five references), evidence of scholarly activities (including samples), and evidence of effective teaching (including teaching evaluations and a teaching philosophy statement) to:
