Prospective bidders may download construction documents at (specifications, drawings, and addenda) from the EWU Construction and Planning Services on-line bid calendar at http://www.ewu.edu/x65096.xml. The document link has been provided to the following: Associated General Contractors, Spokane; Spokane Regional Plan Center, Spokane; Associated Builders and Contractors, Spokane; Tri-Cities Construction Council, Kennewick; Associated General Contractors, Hayden, ID; Lewiston Clarkston Plan Center, Lewiston, ID. Contractors utilizing on-line documents are encouraged to register their contact information on the Planholders List by calling the office of Thomas, Dean & Hoskins, Inc. at (509) 622-2888.

Hard copies of the plans and specifications may be obtained from the office of the ENGINEER Thomas, Dean & Hoskins, Inc. (TD&H), 303 E. 2nd Avenue, Spokane, WA, upon receipt of a non-refundable deposit of $50.00 per set.

Please direct questions regarding this project to TD&H at the above address, phone (509) 622-2888, or email gabe.gallinger@tdhspokane.com.

In accordance with state law, bidders are required to have a current Washington State contractor’s license at the time of submitting bids.

This project involves in part, work inside the EWU Bookstore located in the Pence Union Building. Bidders are cautioned that the Bookstore is to remain open during construction. The contractor shall phase the interior plumbing and pipe replacement to accommodate the continued operation of the Bookstore. The phased construction work shall include the installation of temporary partition walls as necessary to separate the work area from the remainder of the Bookstore and to construct temporary ADA ramps at the Bookstore entrance. Work shall be coordinated with the Bookstore operators.
A **mandatory pre-bid conference** will be held at 1:00 PM on Monday June 21, 2010. Bidders shall meet at the Construction and Planning Services Office, Rozell Heating Plant, Eastern Washington University, 115 Cedar Street, Cheney, Washington, followed by a tour of the work site.

Prospective bidders are advised of laudatory goals to encourage participation of minority and women's business enterprises in state contracting. The laudatory goals are: 10.0% MBE and 6.0% WBE. The state laudatory goals are not mandatory and will not be used as a criterion for awarding contracts.

This Bid is subject to Washington State Law, Eastern Washington University regulations, procedures and policies, as they exist or may hereafter be amended. The State of Washington, Eastern Washington University, acting through the Construction and Planning Services office, reserves the right to reject any and/or all proposals, and to waive bidding informalities.
