D. Substitute bid proposals will not be considered unless this solicitation authorizes their submission.

0.03 BID GUARANTEE

A. When the sum of the base bid plus all additive bid alternates is $35,000.00 or less, bid security is not required.

The Owner will return bid guarantees (other than bid bond) to unsuccessful bidders as soon as practicable, but not sooner than the execution of a contract with the successful bidder.

C. The bidder will allow 60 days from bid opening date for acceptance of its bid by the Owner.

If the apparent successful bidder fails to sign all contractual documents or provide the bond and insurance as required or return the documents within 15 calendar days after receipt of the contract, the Owner may terminate the award of the contract.

D. In the event a bidder discovers an error in its bid following the bid opening, the bidder may request to withdraw its bid under the following conditions:

If it is disapproved, the Owner may retain the bidder’s bid guarantee.

0.04 ADDITIVE OR DEDUCTIVE BID ITEMS

The bidder acknowledges that it has taken steps necessary to ascertain the nature and location of the work, and that it has investigated and satisfied itself as to the general and local conditions which can affect the work or its cost, including but not limited to (1) conditions bearing upon transportation, disposal, handling, and storage of materials; (2) the availability of labor, water, electric power, and road; (3) uncertainties of weather; (4) physical conditions at the site; (5) the conformation and conditions of the ground; and (6) the character of equipment and facilities needed preliminary to and during the work.
