What is Peer Health Education?

- Educating fellow students on important issues such as sexual assault prevention, alcohol use and abuse, sexual and reproductive health, tobacco prevention and much more.
- Staffing information tables, giving presentations, creating web pages, making brochures, organizing conferences, attending workshops and developing new programs.
- Learning about social and health issues, basic office management, teamwork skills, public speaking, and group dynamics.
- Becoming familiar with all aspects of health and education.
- Having the unique opportunity to develop or create a personalized approach to leadership and wellness at EWU.
- Gaining valuable skills that will last a life-time!

Peer Education Groups at EWU

H.A.W.T. aka The Hotties
The Health and Wellness Team are students who volunteer their time, ideas and energy to educate students about tobacco use, high-risk alcohol and drug abuse, sexual assault prevention, bystander intervention, sexual health and healthy lifestyle choices.

C.A.R.E.
Creating a Respectful Environment focuses on sexual assault prevention and safety promotion.

How do I get Involved?

Complete the attached application and return it to the Health, Wellness & Prevention Services office located at 201 University Recreation Center. Call us @ 359-4279 with questions or check us out on the web www.ewu.edu/goodchoices

This is a great volunteer opportunity to gain valuable, professional experience for future employment and/or graduate school and it is **FUN**!
