ARTICLE 1 – PREAMBLE

This Agreement is entered into between the Board of Trustees of Eastern Washington University (the “University”) and the Washington Federation of State Employees, Council 28 of the American Federation of State, County and Municipal Employees, AFL-CIO (the “Union”). Both parties agree as follows:

ARTICLE 2 – RECOGNITION

2.1 Union Representation. The University recognizes the Union as the exclusive bargaining representative for those employees covered by RCW 41.06, and excluding: supervisory and confidential employees as defined by RCW 41.80; administrative exempt employees; faculty; students; and temporary employees.

ARTICLE 3 – SCOPE OF AGREEMENT

3.1 Preemption of Civil Service Rules. This Agreement supersedes all Civil Service Rules, including the provisions of WAC 251 and 357, not expressly incorporated by reference in this Agreement.

3.2 Application of University Policies. This Agreement supersedes specific provisions of University policy with which it conflicts. Absent such a conflict, employees will be subject to all University policies. The University will provide the Union with notice and an opportunity to provide input into any proposed policy change during the term of this Agreement that affects employee working conditions.

3.3 Entire Agreement. This Agreement constitutes the entire agreement between the parties, and it supersedes any prior written or oral agreements between the parties. Any past practice, whether written or oral, is null and void, unless specifically preserved in this Agreement.

3.4 Bargaining Over Mandatory Subjects.

3.4.1 Except as provided in this Agreement or by applicable law, the University will satisfy its collective bargaining obligation before changing a matter that is a mandatory subject. The University will notify the Union, with a copy to the Chief Union Steward, of the proposed changes and the Union may request discussions about and/or negotiations on the impact of these changes on employee’s working conditions. In the event the Union does not request discussions and/or negotiations within fourteen (14) calendar days, the University may implement the changes without further discussions and/or negotiations. There may be emergency or mandated conditions that are outside of the University’s control requiring immediate implementation, in which case the University will notify the Union as soon as possible.
3.4.2 The parties will agree to the location and time for the discussions and/or negotiations. Each party is responsible for choosing its own representatives for these activities.

3.5 **Headings.** Headings and subheadings in this Agreement are included for ease of reference only. They do not provide full notice of the terms of any portion of this Agreement, and are not relevant to the interpretation of any provision of the Agreement.

**ARTICLE 4 – CONTRACTING**

4.1 **Contracting for Services.** The University may contract for services customarily and historically performed by employees as permitted by RCW 41.06.142, and as authorized by applicable law existing prior to July 1, 2005. With respect to those services customarily and historically performed by employees that the University has not contracted prior to July 1, 2005, the University agrees that it will not contract for such services prior to July 1, 2007.

**ARTICLE 5 – UNION MEMBERSHIP AND DUES**

5.1 **Union Membership.**

5.1.1 **Agency Shop.** Subject to the provisions of this Article, employees who are members of the Union as of the effective date of this Agreement shall remain members in good standing for the term of the Agreement. Any employee who, as of the effective date of this Agreement is not a member of the Union, and any employee hired after the effective date of this Agreement shall, within thirty (30) days become and remain a member of the Union. In the event any employee wishes to withdraw from the Union, or does not wish to become a member of the Union, the employee shall have the right to decline membership in the Union under the following circumstances:

(a) In accordance with RCW 41.80.100, an employee who asserts a right of non-association based on bona fide religious tenets or the teachings of a religious body of which the employee is a member shall pay to the Union an amount of money equal to regular dues, which the Union shall either use for purposes that are in harmony with the employee’s individual conscience or provide to a nonreligious charity.

(b) If an Employee for reasons other than religious belief does not wish to be a member of the Union, that employee shall proportionately and fairly share in the cost of the collective bargaining process by paying to the Union a representation fee. The representation fee shall be fixed at the amount of dues and initiation fees uniformly
required of each member of the bargaining unit to defray the cost of services rendered by the Union in negotiating and administering this Agreement as provided by RCW 41.80.100(1).

5.1.2 **Compliance.** In the event an employee fails to meet the requirements set forth in Section 5.1.1, the Union shall give the University a reminder of this fact, with a copy to the employee. The employee shall comply within thirty (30) days of receipt of such reminder.

5.2 **Union Dues and Fees.**

5.2.1 The University shall make deductions each pay period from the pay of employees for regular Union dues, representation fees and initiation fees, as identified by the Union; provided the Union provides to the University a written authorization from the employee for such deductions. The Union shall notify the University at least thirty (30) days in advance of any changes in its fees.

5.2.2 The University will remit a payment for all representation fees to the Union at the Union’s Official Headquarters at the end of each pay period. Accompanying the remittance will be a listing of the names, unique employee identification numbers, membership status, total wages for the time period, and the amount remitted for all employees from whom deductions were made.

5.3 **Indemnification and Hold Harmless.** The Union agrees to indemnify and save the University harmless against any liability which may arise by reason of any action taken by the University to comply with the provisions of this article, including reimbursement for any legal fees or expenses incurred in connection such action. The University will promptly notify the Union in writing of any claim, demand, suit or other form of liability asserted against it relating to its implementation of this article. If requested by the Union in writing, the University will surrender any such claim, demand, suit or other form of liability to the Union for defense and resolution.

**ARTICLE 6 – EMPLOYEE RIGHTS**

6.1 **Liability Protection.** Whenever an action or proceeding for damages is filed against any Bargaining Unit employee arising from his/her act or omission while performing his/her official duties, such employee(s) may request that the Attorney General defend the action or proceeding at the expense of the state. If the Attorney General determines that the employee was acting in good faith and within the course of his or her official duties, the Attorney General will defend the employee. If the body presiding over the action determines that the employee was acting within the scope of his or her official duties and enters a judgment against the employee, the judgment will be satisfied by the state.
6.2 **Off-Duty Activities.** The off-duty activities of employees shall not be cause for disciplinary action unless said activities are a conflict of interest as set forth in RCW 42.52 or are directly detrimental to the employee’s work performance. Employees must promptly report to their supervisors any legal restrictions that affect their ability to perform their job duties.

6.3 **Use of Internet.** Where an employee’s workstation has Internet access, the University will allow the employee to use the Internet for personal business during meal periods or breaks in accordance with applicable law and University policy.

6.4 **No Retaliation.** Employees will not suffer retaliation or other adverse job action for making a good faith report of harassment, discrimination or workplace violence. Where the University determines that such a complaint has merit, it will consider the employee’s desires in determining appropriate remedial or corrective measures.

6.5 **Accommodation of Religious Beliefs.** The University will consider accommodations requested by employees because of their religious beliefs, and will provide such accommodations when there is no more than a nominal cost to the University, the accommodation does not impair operations or disadvantage other employees, or the accommodation is otherwise required by applicable law.

6.6 **Garnishments/Fines/Deductions from Wages.** No deductions will be made from an employee’s wages for garnishments or fines without an appropriate court order or written permission from the employee.

6.7 **Access to Information.** Employees and the Union will have access to University-held information in accord with RCW 42.17 and University policy.

6.8 **Surveillance.** The University will post signs or otherwise notify employees of work areas which are being routinely monitored.

**ARTICLE 7 – POLYGRAPH TESTING**

7.1 **Prohibition on Testing.** No employee will be required to take a polygraph examination as a condition of retaining employment with the University, nor will an employee be subject to discipline for the refusal to take a polygraph examination.

**ARTICLE 8 – MANAGEMENT RIGHTS**

8.1 **Retention of Management Rights.** The Union recognizes the right of the University to operate and manage the University, including but not limited to the right to take actions reserved to management by RCW 41.80.040; to require standards of performance and to maintain order and efficiency; to direct employees and to determine job assignments and working schedules; to determine the materials and equipment to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine the kind and location of facilities; to
determine whether the whole or any part of the operation shall continue to operate; to
select and hire employees; to promote and transfer employees; to discipline, demote
and discharge employees for just cause; to lay off employees; to recall employees; to
require reasonable overtime work of employees; and to promulgate rules, regulations
and personnel policies, provided that such rights shall not be exercised so as to violate
any of the specific provisions of this Agreement or applicable rules or laws. The
retention of these rights does not preclude any employee from filing a grievance if
she/he believes the exercise of such rights constitutes a violation of this Agreement.

ARTICLE 9 – NONDISCRIMINATION AND AFFIRMATIVE ACTION

9.1 Compliance With State and Federal Law. The parties acknowledge their mutual
support for equal employment opportunity and their commitment to abide by all State
and Federal law regarding nondiscrimination and affirmative action in the workplace.

9.2 Affirmative Action. The parties support and will cooperate in the implementation of
the University’s affirmative action programs. The University’s Affirmative Action
Plan will be provided to the Union at the time of its implementation/renewal.

9.3 Nondiscrimination. Neither the University nor the Union shall discriminate against
any employee because of age, sex, national origin, race, color, creed, religion,
sensory, mental or physical disability, sexual orientation, marital status or union
membership.

9.4 Actions for Violations of this Article. Employees may challenge practices or actions
that they allege violate the provisions of Sections 9.1 and 9.3 through the University’s
Discrimination Policy and procedures, and/or using those remedies available through
applicable law. Alleged violations of Sections 9.1 and 9.3 shall not be the subject of
grievances under Article 41.

ARTICLE 10 – REASONABLE ACCOMMODATION AND DISABILITY
SEPARATION

10.1 Compliance With Applicable Law. The University, Union, and employees will
comply with all relevant federal and state laws and regulations, and with the
provisions of University policy in providing reasonable accommodations to qualified
individuals with disabilities.

10.2 Requests for Accommodation. An employee who believes that he or she suffers a
disability and requires a reasonable accommodation to perform the essential functions
of his or her position may request such an accommodation from the University’s
Human Resources Department. Employees requesting accommodation must
 cooperate with the University in discussing the need for and possible form of any
accommodation. The employee must provide supporting medical documentation with
any request for accommodation, and the University may require the employee to
obtain a second medical opinion at University expense. Medical information
disclosed to the University will be kept confidential and disclosed on a need-to-know basis.

10.3 Determinations Regarding Accommodations. The University will determine whether an employee is eligible for a reasonable accommodation, and the accommodation, if any, to be provided.

10.4 Disability Separation. If the University determines that an employee is unable to perform the essential functions of the employee’s position due to a disability that cannot be reasonably accommodated, the employee will be separated from service due to disability. Prior to any final decision regarding a disability separation, the University will notify the employee of its determination, and provide the employee with an opportunity to discuss that determination. Disability separation is not a disciplinary action.

10.5 Actions for Disputes Over Accommodation and Disability Separations. Employees may challenge issues relating to the University’s determination regarding a request for accommodation using the University’s Disabilities Policy, including the internal grievance mechanism in that policy, and/or using those remedies available through applicable law. Disputes regarding these issues shall not be subject to grievances under Article 41. Employees may challenge a disability separation through the grievance procedure.

ARTICLE 11 – WORKPLACE ENVIRONMENT

11.1 Workplace Environment. The University is committed to providing equal employment opportunity, consideration and treatment for all employees. Employees are encouraged to identify and report to their supervisors, responsible management officials, or the University’s Human Resources Office, either individually or through their Union representatives, concerns and proposed solutions for abusive, unfair or inappropriate behavior, actions or practices by other employees, supervisors, managers or other members of the University community. In the event the employee’s concerns are not resolved following such a report, the Union and the University shall jointly select an independent party to assist the parties in identifying/clarifying the issues and suggesting solutions. Any costs or expenses associated with this process shall be shared by the parties.

11.2 Grievances Regarding Unresolved Issues. In the event that a problem remains unresolved following the steps outlined in Section 11.1, it may be submitted to the grievance procedure; provided that in any arbitration of an issue raised pursuant to this article, the arbitrator’s review shall be limited to the determination of whether the University’s treatment of the employee lacks a reasonable basis and is arbitrary or capricious.
ARTICLE 12 – HEALTH AND SAFETY

12.1 Responsibility for Safety. The University, employees and the Union share responsibility for workplace safety.

12.1.1 The University will provide a work environment that complies with applicable safety standards established by the Washington Industrial Safety and Health Act (WISHA). The University will provide employees with required safety equipment, personal protective equipment and apparel.

(a) Employees who are required to wear footwear with safety toes will be reimbursed up to $150 for the purchase of such footwear, which will be replaced on a fair wear and tear basis.

12.1.2 Employees and the University will comply with all safety practices and standards established by the University, including rules requiring that employees wear and/or use provided safety equipment, personal protective equipment and apparel. Employees must report damaged or missing safety equipment or other potentially unsafe practices or conditions to their supervisor within twenty-four (24) hours.

12.1.3 The Union and the University will work cooperatively on safety-related matters and encourage employees to work in a safe manner.

12.2 Unsafe Working Conditions. An employee who is given an assignment that he or she reasonably believes will be detrimental to his or her health shall immediately notify his or her supervisor. The employee will not be required to perform the alleged unsafe assignment, and will not receive discipline for refusing to do so, until the matter has been reviewed with the employee’s supervisor. If such a review does not resolve the matter, it will be referred to the University safety representative. At the employee’s request, a Union shop steward will participate in any review conducted pursuant to this section.

12.3 Safety Committees. The Union shall designate an employee from its represented units to serve on the University-wide safety committee. In the event the University forms additional safety committees or sub-committees with responsibility for areas in which Union employees are working, the Union will be permitted to select a representative from its units to sit on any such committee. Safety committee meetings will be conducted in accordance with WAC 296-800-13020.

12.4 Safety Training and Assessments.

12.4.1 The University will provide training to affected employees regarding prevention of back, repetitive motion and other common workplace injuries.
12.4.2 Employees may request through their supervisors an assessment of their position and/or work station to address ergonomic and other safety issues, including issues involving use of video displays, furniture or equipment needs, and exposure to heat and cold. Such assessments will be conducted by the University’s safety officer. Recommendations for alterations to a job or work station identified during an assessment will be shared with the affected employee and with his or her supervisor.

12.5 On-the-Job Injuries. An employee who suffers a work-related illness or injury must report that illness or injury to his or her supervisor within twenty-four (24) hours, unless the employee is prevented by incapacity from doing so. If the illness or injury is one for which time-loss payments are provided through the workers’ compensation system, the employee may choose to receive only such time-loss payment, or may choose to use paid leave in combination with workers’ compensation benefits as follows:

12.5.1 An employee choosing to take sick leave while receiving workers’ compensation benefits will receive his or her full sick leave pay, but must turn over to the University the time-loss payments he or she receives. The employee’s sick leave balance will be credited based on the value of time-loss payments paid to the University.

12.5.2 An employee choosing to use compensatory time, vacation leave or personal holiday leave while receiving workers’ compensation benefits will receive the full value of such paid leave in addition to his or her time-loss payments to the University.

12.6 Employer-Supplied Equipment. All necessary equipment and tools required by the University shall be furnished by, retained at, and maintained by the University. The individual employee shall be responsible for any loss or damage to any item furnished by the University under this Article caused by the employee’s negligence.

12.7 University-Provided Radios. Employees who work alone and outside the University’s core business hours will be provided with a radio to report emergency situations.

12.8 University Domestic and Workplace Violence Policies. The University policies regarding Domestic Violence in the Workplace (Policy 200-180) and Workplace Violence Preventions (Policy 200-200) in effect as of August 24, 2004, shall remain in place for the term of the Agreement.

ARTICLE 13 – DRUG AND ALCOHOL FREE WORKPLACE

13.1 Drug-Free Workplace. All employees must report to work in a condition fit to perform their assigned duties unimpaired by alcohol or drugs. The University and all employees must comply with the provisions of the Drug-Free Schools and
Communities Act, the Drug-Free Schools and Campuses Regulations, the provisions of WAC 172-64 (Alcohol Policy at Eastern Washington University), and the University’s Drug-Free Workplace policy.

13.2 Possession of Alcohol and Illegal Drugs. Employees may not use or possess alcohol while on duty, except when authorized by the University as part of a University-sponsored event. The possession or use of illegal drugs is strictly prohibited.

13.3 Prescription and Over-the-Counter Medications. Employees taking physician-prescribed or over-the-counter medications must notify their supervisor of that fact if there is a substantial likelihood that such medication will affect job safety. Upon receiving such notice, the employee’s supervisor will make all reasonable efforts to temporarily alter the employee’s work assignment to permit the employee to remain on the job while taking medication. Where there are no reasonable alternatives for reassignment, the employee will be placed on leave while on medication.

13.4 Employees Subject to Drug and Alcohol Testing. Employees required to have a Commercial Driver’s License (“CDL”) are subject to pre-employment, post-accident, random and reasonable suspicion testing in accordance with applicable federal regulations.

13.5 Discipline for Violations. An employee who violates the provisions of this article or the laws, regulations and policies it incorporates, may be subject to disciplinary action, up to and including discharge.

13.6 Reopener Regarding Drug and Alcohol Testing Policies. During the term of this Agreement, the University may reopen the Agreement for the sole purpose of negotiating a drug and alcohol testing policy applicable to all employee groups within the University.

ARTICLE 14 – STAFFING

14.1 Staffing Concerns. The parties recognize that the University is a growing institution and that growth involves changes in the size and scope of the University’s facilities and staffing needs. Employees are encouraged to bring concerns about workload issues to the attention of their supervisors. Workload, work area and staffing considerations may be raised in the Union-Management Communications Committee.

14.2 Lines of Authority. The University will ensure that the reporting authority for each employee is clearly defined.

ARTICLE 15 – CONFIDENTIALITY

15.1 Confidentiality of Employees’ Personal Information. Personal and medical information regarding employees, including information stored in electronic form, will be maintained, accessed, and used in a confidential manner. The University will
not release employees’ personal information to third parties, including disclosures via
the Internet, to the extent that disclosure would violate an employee’s right to privacy
as defined by RCW 42.17.255, unless disclosure is compelled by the University’s
legal obligations or by court order.

15.2 Requests for Employee Personal Information. The University will promptly notify
affected employees when it receives a request by a third party to release confidential,
personal information about an employee, including personal information related to
the employee’s job performance contained in the employee’s official personnel file,
or when the University proposes to release such information on its own initiative.
Affected employees will be provided with seventy-two (72) hours following the
notice to consult with the University’s chief human resources officer or designee
regarding the potential disclosure. Following consultation, the employee will be
permitted an additional seven (7) calendar days, unless a longer period is mutually
agreed, in which to seek a legal order precluding the disclosure. Where the
information proposed for release would affect a group of employees, the employer
will also provide the Union with written notice of the request.

15.3 Protection of Social Security Numbers. The University will not use employees’
social security numbers except as permitted by law. Social security numbers will not
be requested or required on timesheets, leave slips or other routine University forms
unrelated to payroll or benefits. The University will redact employees’ social security
numbers from any document produced pursuant to a Public Disclosure Act request.

15.4 Compliance With University Confidentiality Obligations. Employees will comply
with the University’s confidentiality obligations with respect to information disclosed
to them in the course of their job duties. The University will notify employees of
these obligations and conduct training as appropriate for employees exposed to
confidential information.

ARTICLE 16 – PERSONNEL FILES

16.1 Maintenance of Official Personnel Files. The University will maintain an official
personnel file for each employee, which will be kept in Human Resources Services.
No material will be entered into the official personnel file more than one (1) year
after its creation. Performance, corrective action or disciplinary documents relating
to the employee that are not included in the official personnel file may not be used as
evidence in any grievance arbitration regarding discipline of the employee.

16.2 Access to Official Personnel Files.

16.2.1 Upon request, employees may inspect the contents of their official
personnel file.

16.2.2 With written approval of the employees, the Union may review employees’
official personnel files.
16.2.3 Authorized management representatives with a legitimate business need; supervisors in the employee’s chain of command; and Human Resources, Budget and Payroll Services representatives may access employees’ personnel files. A record will be kept with the file of the names of persons who have reviewed the file other than Human Resources, Budget and Payroll Services personnel.

16.2.4 Employees and the Union may request copies of documents from official personnel files as part of a review of the file under this Section. The University will charge for copy requests of greater than fourteen (14) pages at a rate determined in accord with the Public Disclosure Act.

16.3 Employee-Supplied Information. Materials placed in an employee’s personnel file regarding performance or discipline shall first be provided to the employee. Employees who challenge material included in their personnel file may provide responsive material for inclusion in their file. Employees may also place information relating to their performance or qualification in their personnel file to document performance improvement or special achievement.

16.4 Removal of Information.

16.4.1 An employee may request that the University’s chief human resources officer remove from his or her personnel file material that he or she believes to be false, irrelevant or improperly included in his or her file. Information related to alleged misconduct that is determined to be false shall be promptly destroyed; provided that the University may retain copies of such material if it is relevant to actual or reasonably anticipated legal action.

16.4.2 Records of corrective action or written reprimands given to employees will be removed from their personnel files after three (3) years if the employee has not received subsequent discipline based in whole or in part on the corrective action or written reprimand; provided, that this paragraph shall not apply to written reprimands for sexual harassment, discrimination, violation of the University’s Drug-Free Workplace policy, theft, insubordination, violence in the workplace or other misconduct of similar severity.

16.4.3 Records of disciplinary actions involving reductions in pay, suspensions or demotions, and written reprimands not removed after three (3) years will be removed from employees’ personnel files after seven (7) years if:

(a) Circumstances do not warrant a longer retention period;

(b) There has been no subsequent discipline; and
(c) The employee submits a written request for its removal.

Nothing in this section will prevent the University from agreeing to an earlier removal date, unless to do so would violate RCW 41.06.450.

16.5 Medical Information. Medical information regarding an employee will be kept in a separate file and maintained in a confidential manner in accordance with state and federal law.

16.6 Working Files. The University will not maintain records regarding employee activities or performance separate from the employee’s official personnel file after the completion of the employee’s performance evaluation.

ARTICLE 17 – EMPLOYEE STATUS REPORTS

17.1 Monthly Reports. The University will provide to the Union, on a monthly basis, the following information for each employee in the bargaining unit: employee identification number, name, position title, mail stop, work phone number, monthly salary (including range and step), assigned FTE, work county, supervisor and seniority date.

17.2 Recent Retirees. Within fourteen (14) calendar days of the effective date of this Agreement, the University will provide to the Union a list of all bargaining unit employees who have retired in the three (3) months preceding the effective date of the Agreement.

17.3 Electronic Transfer. Information supplied pursuant to this article will be sent to the Union headquarters in a mutually agreeable electronic format.

ARTICLE 18 – POSITIONS

18.1 Types of Bargaining Unit Positions. Bargaining unit positions may be regular, cyclic or project positions, which for purposes of this Agreement are defined as follows:

18.1.1 Regular Positions. Regular positions are scheduled to work twelve (12) months per year.

18.1.2 Cyclic Positions. Cyclic positions are scheduled to work less than twelve (12) full months each year due to known, recurring periods in the fiscal year when the position is not needed. Before the start of each fiscal year, incumbents of cyclic positions will be informed, in writing, of their scheduled periods of leave without pay in the ensuing cycle. Such periods of leave without pay shall not constitute a break in service.

18.1.3 Project Positions. Project positions are positions of specific duration of longer than six (6) months. The University may create project positions in situations where the position is contingent upon state, federal, local, grant,
or other special funding of specific and of time-limited duration, and/or where the work to be performed by the position is project-based and of a time-limited nature. The University will notify employees at the time of hire of the project nature of the position and the anticipated ending date of the project position.

18.2 **Exemption of Bargaining Unit Positions.** The University will inform the Union if a bargaining unit position is reallocated in a manner that exempts the position from the bargaining unit.

18.3 **Temporary Positions.** The University may create temporary positions to fill vacancies caused by the absence of a regular, cyclic or project employee; to address fluctuations in workload; or to meet needs in situations where there is insufficient work or resources to support a regular, cyclic or project position. Employees filling temporary positions may not work more than one thousand fifty (1050) hours in a twelve (12) consecutive month period. Such temporary employees are not included in the bargaining unit.

18.4 **Full-Time and Part-Time Employment.** The University may fill positions on either a full-time or part-time basis, which for purposes of this Agreement are defined as follows:

18.4.1 **Full-Time Employment.** Full-time employees are regularly scheduled to work forty (40) hours in a workweek.

18.4.2 **Part-time Employment.** Part-time employees are regularly scheduled to work at least twenty (20) hours, but less than forty (40) hours in a workweek. In this Agreement, when any benefit is prorated for part-time employees, such employees will receive a portion of the full-time benefit based on the percentage their monthly schedule bears to full-time employment.

18.5 **Assignments.**

18.5.1 The University may reassign an employee to another position in the same classification. Such reassignment shall not result in a change of salary or periodic increment date.

18.5.2 Employees who accept a temporary assignment to a different classification shall have the right to revert to their former position or to an equivalent position at the conclusion of the temporary assignment.

**ARTICLE 19 – CLASSIFICATION**

19.1 **Classification Plan.** Job specifications approved and adopted by the Washington State Personnel Resources Board as of June 30, 2005, will remain in effect for the
term of this Agreement. The University will maintain specifications describing the minimum qualifications, basic functions and typical job duties of each classification in the bargaining unit. The University will also maintain job descriptions describing the qualifications, essential functions, duties and responsibilities of each position within the classifications. Employees may, upon request, review the current classification and job descriptions.

19.2 **New Classifications.** In the event the University creates a new classification during the term of this Agreement, it will provide to the Union the proposed classification description and a proposed salary range. The parties will then meet to negotiate regarding the classification’s salary range.

19.3 **Adoption of Existing Regulations.** References in this article to WAC 251-06 incorporate the following regulations, as they exist on June 30, 2005, a copy of which will be maintained in the Human Resources Department:

- WAC 251-06-030;
- WAC 251-06-050;
- WAC 251-06-060;
- WAC 251-06-065; and

Uniformly scheduled means a daily repetition of the same working hours and a weekly repetition of the same working days. The University will determine the starting and ending times and work days based on the requirements of the position and operational need.

21.2.2 **Alternate Work Schedules.** Employees may be assigned to work weeks and work shifts of different lengths in order to meet business and customer service needs or in response to employee request. For full-time employees, alternate schedules will consist of forty (40) hours of work, with at least two (2) consecutive days off, in a seven (7) day period. Absent mutual agreement, alternate schedules will not include split shifts.

21.3 **Schedule Changes.**

21.3.1 **Temporary Schedule Changes.** Scheduled employees shall be notified in writing of changes in their work schedules at least seven (7) calendar days in advance. The day that notification is given is considered the first day of notice. Temporary changes to such employees’ work schedules may be made with less than seven (7) days notice; provided that in the event a scheduled employee is assigned a temporary schedule change with less than seven (7) calendar days notice for reasons other than the employee’s request, the employee shall be given the option to work his or her regular schedule in addition to the modified schedule. A temporary schedule change is defined as a change lasting twenty-one (21) calendar days or less.

21.3.2 **Permanent Schedule Changes.** Scheduled employees’ work schedules may be permanently changed with fourteen (14) calendar days prior written notice to the employee. The day notification is given is considered the first day of notice.

Employee requests to work a flexible schedule will be granted or denied based on operating needs.

21.5 **Additional Work for Cyclic Positions.** When additional work is required of a cyclic position during a period for which the position is scheduled for leave without pay, the work will be offered to the incumbent. If the incumbent declines the offer, the University will offer the work to other qualified employees who are in cyclic year leave without pay status who have expressed an interest according to seniority.
21.6 Work Interruptions During Off-Duty Time. Time spent by employees whose off-duty hours are interrupted by work-related calls requiring more than a de minimis response will be considered hours worked, with a minimum of one-half (½) hour compensation for each separate situation.

21.7 Overtime.

21.7.1 Eligibility. All bargaining unit employees are eligible for overtime.

(a) Overtime Work—Equal Distribution. Overtime shall be distributed among qualified employees on a rotating basis established by the University.

(b) Overtime Computation. Overtime shall be compensated at a rate of one and one-half (1½) times the employee’s regular rate of pay. Overtime hours, as defined in this section, shall be rounded upward to the nearest one half (½) hour.

(c) Overtime Computation. For purposes of calculating overtime eligibility, all hours spent performing assigned duties and all paid leave will be considered hours worked; leave without pay, additional compensation for time worked on a holiday, and call back bonus pay do not constitute hours worked. There shall be no duplication or pyramiding of overtime.

21.7.2 Overtime Hours. The following will constitute overtime:

(a) Regularly scheduled employees who work beyond eight (8) hours in a day

(b) Employees on alternate work schedules who work beyond ten (10) hours in a day;

(c) All hours worked beyond forty (40) in a work week;

Compensatory time shall accrue at the rate of time and one-half for each overtime hour worked. An employee shall not be allowed to accumulate more than eighty (80) hours of compensatory time at a time, and any accrued compensatory time may be cashed out at any time by the employee.
21.8.2 Compensatory time off must be scheduled in advance with the approval of the employee’s supervisor.

21.8.3 All compensatory time must be used by June 30th of each year. If compensatory time balances are not scheduled to be used by the employee by April of each year, the supervisor shall contact the employee to review his or her schedule. The employee’s compensatory time balance will be cashed out every June 30th or when the employee separates from the Employer.

21.9 Additional Hours for Part-Time Employees. Part-time employees assigned to work hours beyond their regularly scheduled hours will receive additional pay at their regular hourly rate for such hours up to a total of forty (40) hours in a workweek. Hours worked beyond forty (40) in a workweek shall be considered overtime.

21.10 Call Back Pay. When a regularly scheduled employee has left the work station and is required to return to the work station outside of regularly scheduled hours, the employee shall receive two (2) hours bonus pay plus time actually worked. The bonus pay shall be compensated at the regular rate; time worked shall be compensated at time and one-half. Time worked immediately preceding the regular shift does not constitute call back, provided time worked does not exceed two (2) hours or notice of at least eight (8) hours has been given.

21.11 Meal and Rest Periods.

21.11.1 Employees will receive a minimum of one-half (½) hour off, without pay, for a meal during any shift lasting longer than five (5) hours. In the event that an employee’s meal period is interrupted, the meal period shall be considered time worked.

21.11.2 Employees shall receive a fifteen (15) minute paid rest period for each four (4) hours worked. In the event that an employee’s rest period is interrupted it shall be rescheduled.

21.11.3 Meal and Rest Periods for Employees Working Straight Shifts. The University and the Union agree to paid meal periods for employees working straight shifts that vary from and supersede the paid meal period requirements of WAC 296-126-092.

(a) Campus police and plant operators working straight shifts will not receive a paid meal period, but will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Meal periods for employees on straight shifts do not require relief from duty.
Campus police and plant operators working straight shifts will be allowed rest periods of fifteen (15) minutes for each one-half shift of four (4) or more hours worked at or near the middle of each one-half shift of four (4) or more hours. Rest periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to fifteen (15) minutes for each half shift, scheduled rest periods are not required.

21.11.4 Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

21.12 Timesheets. Employees will not be required to sign time sheets that are incomplete or inaccurate. In the event that a time sheet is revised or changed, the supervisor will promptly notify the employee and provide a copy of the changed time sheet to the employee.

#### 30.1.2
Vacation hours shall be credited at the end of the month accrued. Employees who are in unpaid status for more than ten (10) working days in a month will not accrue vacation leave during that month.

#### 30.1.3
For purposes of this Section, an employee’s state employment includes employment with any department, agency or institution of the state, excluding employment in the legislative or judicial branches, and employment in a temporary or student position not governed by civil service.

#### 30.2 Maximum Vacation Accrual
Employees may accrue vacation up to a maximum of two hundred forty (240) hours. An employee who has reached the maximum accrual level may continue to accrue vacation until his or her next anniversary date, at which time any vacation accrued in addition to the two hundred forty (240) hour maximum accrual will be extinguished. With the written approval of the appropriate Vice President, an employee may accrue more than two hundred forty (240) hours of vacation when he or she is precluded from taking a previously scheduled vacation because of University needs. Any such written approval will specify a timeline for the employee to use any excess vacation accrual, after which any excess vacation accrual will be extinguished.

#### 30.3 Use and Scheduling of Vacation

- **30.3.1** Employees may not take vacation until they have successfully completed the probationary period.

- **30.3.2** Except as provided in Section 30.3.5, vacation leave must be scheduled with the advance approval of the employee’s supervisor. Vacation leave shall be granted for the time requested by the employee; provided that the needs of the University department will not be substantially impaired. If the nature of the work makes it necessary to limit the number of employees...
on leave at the same time, the employee(s) with the greatest seniority shall be given her/his choice of available vacation periods. Supervisors will promptly approve or deny requests for vacation but in no case more than seven (7) days following the request. Upon request, written reasons will be promptly provided to the employee if the requested vacation is denied.

30.3.3 Employees who desire to take their annual leave at a specific period in time shall submit to the immediate supervisor, in writing, their request prior to April 1 for the following fiscal year. The immediate supervisor will compile and publish a list made up of these requests by May 1. Employees on said list shall have priority, regardless of their seniority, over subsequent requests.

30.3.4 Once approved, an employee’s vacation will not be cancelled absent emergency or other unplanned/unforeseen situations affecting department staffing needs.

30.3.5 At their election, employees may use vacation in place of or in addition to sick leave for any of the purposes described in Sections 31.2.3 and 31.2.4. Employees using vacation for this purpose are expected to provide their supervisor notice of their absence as described in Section 31.4.

30.3.6 Employees’ accrued vacation balances will be charged for the actual time of any vacation used.

30.4 Transfer of Vacation.

30.4.1 Employees who move to another position at the University shall not lose any accrued vacation as a result of the transfer or promotion. Such employees will be notified at the time of their appointment to the new position about any conflicts between any vacation they have pre-scheduled and the work schedule in their new area.

30.4.2 Employees who transfer from the University to another state agency or state institution without a break in service will transfer their accrued but unused vacation to their new employer.

30.5 Cash Out of Vacation. Except for employees who elect to transfer vacation as provided in Section 30.4, upon termination employees shall be paid for their accrued but unused vacation hours at a rate calculated in accord with Office of Financial Management guidelines; provided that in no event shall the rate used for vacation cashouts be less than the employee’s regular rate of pay. In the event of a voluntary resignation, employees will receive pay for their accrued but unused vacation if they have provided or offered to provide at least two (2) weeks written notice. An employee providing less than two (2) weeks written notice will have deducted from
any vacation cash out the difference between the amount of notice given and two (2) weeks.

ARTICLE 31 – SICK LEAVE

31.1 Sick Leave Accrual. Full-time employees shall accrue sick leave at the rate of eight (8) hours for each completed calendar month of active service; provided that an employee does not have more than ten (10) days leave without pay in that month. Part-time employees shall accrue sick leave on a prorated basis. Employees may accrue an unlimited amount of sick leave.

31.2 Use of Accrued Sick Leave. Employees’ accrued sick leave balances will be charged for the actual time of any sick leave used. Accrued sick leave may be used only for:

31.2.1 The employee’s own illness, injury or disability (including disability due to pregnancy or childbirth);

31.2.2 A period of quarantine following the exposure to a contagious disease during the period when attendance on duty would jeopardize the health of others;

31.2.3 The need to care for a child under eighteen (18) years of age, or an older child incapable of self-care, with a health condition requiring treatment or supervision;

31.2.4 The need to care for the employee’s spouse, parent, parent-in-law or grandparent with a serious health condition or emergency condition;

31.2.5 Medical, dental or optical appointments for the employee or other family member where the employee’s presence is required, if arranged in advance with the employee’s supervisor whenever possible;

31.2.6 Bereavement leave in addition to leave provided by Section 33.4, or in circumstances not covered by Section 33.4, if such use is approved in advance by the employee’s supervisor; and

31.2.7 Other circumstances if authorized by the University’s chief human resources officer.

31.3 Sick Leave Conditions During Vacations. When a condition identified in Section 31.2 arises while an employee is on vacation leave, the employee will be permitted upon request to use accrued sick leave in lieu of the approved vacation leave.

31.4 Sick Leave Verification. Employees must notify their supervisor as soon as reasonably possible when they will be absent due to illness or injury. If an employee is in a position where a relief replacement is necessary if they are absent, he or she shall notify their supervisor at least two (2) hours prior to their scheduled time to
report to work, whenever possible. The University may require a written medical certificate for absences of three (3) or more consecutive days or where there is reason to suspect sick leave abuse. An employee returning to work after a sick leave absence of three (3) or more consecutive days may be required to provide written certification from his or her health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation.

31.5 Annual Sick Leave Cashout. In January following any year in which an employee reaches a minimum accrual of four hundred eighty (480) hours of sick leave, the employee may receive cash at the employee’s straight time rate for any unused sick leave hours accrued during the prior calendar year; provided that employees will not be permitted to reduce their sick leave balances below four hundred eighty (480) hours through sick leave cash out. Sick leave will be cashed out at a rate of one (1) hour’s pay for each four (4) hours of sick leave. Hours cashed out will be deducted from employees’ sick leave balance.

31.6 Cash Out. Upon retirement or death, an employee or his or her estate will receive cash at the employee’s straight-time hourly rate for all sick leave hours. Sick leave will be cashed out at a rate of one (1) hour’s pay for each four (4) hours of sick leave. In lieu of a cash payout for sick leave at retirement as provided by this section, an employee will receive the amount of any such payout in the form of a contribution to a medical reimbursement plan if the employee is eligible to participate in such a plan at the time of his or her retirement.

31.7 Reemployment of University Employees. Former University employees who are reemployed within three (3) years of separation shall have their former sick leave balance restored for use as provided in this agreement; provided that this provision shall not apply to employees whose accrued sick leave was cashed out upon retirement as provided in Section 31.6.

ARTICLE 32 – SHARED LEAVE

32.1 Availability of Shared Leave. As permitted by RCW 41.04.650 - 41.04.670 and by this Article, employees may donate accrued vacation leave, sick leave or personal holidays to other state employees who have exhausted or are about to exhaust their own paid leave, and who have been called to military service; suffer from an extraordinary or severe injury, illness or impairment; or who have a relative or household member who is suffering from an extraordinary or severe illness, injury, or impairment. For purposes of this article, the term relative includes the employee’s spouse, child, stepchild, grandparent or parent; the term household member means persons residing in the employee’s home who share reciprocal duties of care and financial support with the employee.

32.2 Leave Donation. An employee may donate vacation leave, sick leave, or personal holiday to another employee under the following conditions:
32.2.1 The employee’s request to donate leave will not cause his/her vacation leave balance to fall below eighty (80) hours.

32.2.2 The employee’s request to donate leave will not cause his/her sick leave balance to fall below one hundred seventy-six (176) hours.

32.2.3 The employee may not donate excess vacation leave that he or she would lose due to an approaching anniversary date.

32.2.4 Leave donations must be in one (1) hour increments, with a minimum of four (4) hours.

32.3 **No Coercion.** No employee may be intimidated, threatened, or coerced into donating leave.

32.4 **Shared Leave Use.** Employees may receive and use donated leave as follows:

32.4.1 The University will determine the total amount of leave an employee may receive through shared leave; provided that no employee shall receive more than two hundred sixty-one (261) days of shared leave.

32.4.2 Employees requesting shared leave due to their own, a relative’s or a household member’s extraordinary or severe illness, injury or impairment will submit with their request a medical certificate from a licensed physician or health care practitioner verifying the employee’s required absence, describing the medical problem, and identifying the expected date the employee will be able to return to work.

32.4.3 Employees requesting shared leave because of a call to military service must submit with their request a copy of the military orders verifying the employee’s required absence.

32.4.4 Employees will not be eligible for shared leave if they have been approved to receive Workers’ Compensation.

32.5 **Unused Leave.** If the University determines that an employee will not need donated leave, such leave will be returned to donors.
ARTICLE 33 – ADDITIONAL REASONS FOR LEAVE

33.1 Family Medical Leave. Employees who have been employed by the University for at least one (1) year, and who worked at least one thousand two hundred fifty (1250) hours during the twelve (12) month period immediately preceding the commencement of leave, are permitted up to twelve (12) workweeks of Family Medical Leave during any twelve (12) month period for purposes specified by law. Family Medical Leave will be administered according to the University’s Family and Medical Leave policy.

33.2 Parental Leave. Employees may request parental leave for up to four (4) months, including any period of Family Medical Leave pursuant to Section 33.1, for the birth of the employee’s child or the placement with the employee of an adopted or foster child. Parental leave must be taken within one (1) year following the child’s birth or placement. Employees may, at their choice, use compensatory time, vacation leave, personal holiday and unpaid leave in any combination during parental leave. During any period of parental leave not covered by Family Medical Leave, an employee who uses less than eight (8) hours of paid leave during a month may continue his or her health insurance coverage by paying the full premium cost for that insurance. The University may deny a request for parental leave beyond any period of Family Medical Leave based on operational necessity. A response to the leave request will be provided to the employee within fourteen (14) calendar days.

33.3 Leave for Child Care Emergencies. Employees who must miss work due to unforeseen child care emergencies may charge their absence to any accrued paid leave or to unpaid leave; provided that accrued compensatory time must be used before any other paid or unpaid leave. Employees may use no more than three (3) days per calendar year of their accrued sick leave and vacation leave, and may take no more than three (3) days of unpaid leave per calendar year, for child care emergencies. Employees using leave due to child care emergencies are not required to obtain advance approval prior to using leave, but must notify their supervisors of their absence as soon as reasonably possible and no later than the start of their scheduled shift.

33.4 Bereavement Leave. Employees will be granted three (3) days of paid bereavement leave for the death of the employee’s spouse, child, parent, parent-in-law, sibling, grandparent, grandchild or household member (as defined in Article 32 – Shared Leave).

33.5 Jury and Witness Leave. Employees subpoenaed to appear for jury service or as a witness will receive pay at their regular rate of pay for work hours missed because of their required service. Employees must notify their supervisors upon receipt of a subpoena for jury or witness duty, keep their supervisors apprised of the schedule for their jury or witness duties, and report to work when the court schedule permits. Any compensation paid to an employee for jury or witness service, other than reimbursement for expenses, must be paid to the University.
33.6 **Military Leave.**

33.6.1 **Paid Leave**

(a) Employees shall be entitled to military leave with pay not to exceed fifteen (15) working days during each year, beginning October 1st and ending the following September 30th, in order to report for active duty, when called, or to take part in active training duty in such manner and at such time as they may be ordered to active duty or active training duty in the Washington National Guard or the Army, Navy, Air Force, Coast Guard, or Marine Corps reserve of the United States or any organized reserve or armed forces of the United States. Such leave shall be in addition to any vacation and sick leave to which an employee is entitled and shall not result in any reduction of benefits, performance ratings, privileges or pay. During paid military leave, the employee shall receive his or her normal base pay.

(b) Employees required to appear during working hours for a physical examination to determine physical fitness for military service shall receive full pay for the time required to complete the examination.

33.6.2 **Unpaid Leave.** In addition to paid military leave provided by this section, employees shall be granted a military leave of absence without pay for service in the armed forces of the United States or the State of Washington, to the extent required by applicable state (RCW 73.16) and federal law.

33.6.3 **Leave Requests.** Unless prohibited by military necessity, employees must provide the University with a copy of their orders at the time they request military leave. Requests for military leave shall be made as soon as reasonably practical after the employee learns of the need for such leave.

33.7 **Inclement Weather.** If a work location remains fully operational but an employee is unable to report to work, must report to work late, or is unable to remain at work because of severe inclement weather, or conditions caused by severe inclement weather, the employee may use accrued compensatory time, personal holiday time or vacation leave, or take unpaid leave for the period of his or her absence.

33.8 **Suspended Operations.** The decision to suspend part or all of the University’s operations because of emergency or other circumstances jeopardizing public health, safety or property, and the consequences of that decision on affected employees, will be governed by the University’s Suspended Operations Policy.

**ARTICLE 34 – LEAVE OF ABSENCE**

34.1 **Purposes.** In addition to the circumstances specified elsewhere in this Agreement, the University may approve a leave of absence for the following reasons:
34.1.1 To accommodate an employee’s illness, disability, or injury;
34.1.2 To permit an employee to complete an educational program;
34.1.3 To permit an employee to serve in the Peace Corps, U.S. Public Health Service or public elected office; and
34.1.4 Other circumstances, if approved by a Vice President.

34.2 Conditions Applicable to Leaves of Absence. Employees must submit any request for a leave of absence in writing. Except as required by law, a request for a leave of absence must meet the following conditions:

34.2.1 The employee must have successfully completed the probationary period prior to requesting a leave of absence;
34.2.2 The employee must have a bona fide intention of returning to work following the leave;
34.2.3 A non-medical leave of absence must not, in the discretion of the University, interfere with operational necessity.
34.2.4 A leave of absence because of an employee’s illness, injury or disability will not be granted until the employee has exhausted any available Family Medical Leave; and
34.2.5 Except for leaves of absence approved to permit an employee to complete an educational program, leaves of absence may not exceed twelve (12) months within a five (5) year period.

34.3 Use of Paid Leave. The employee on an approved leave of absence must exhaust all available paid leave, including compensatory time, sick leave (if available for the purpose of the employee’s leave), vacation leave, and personal holiday time before taking unpaid leave; provided that an employee granted a leave of absence because of the employee’s own disability may use up to thirty-two (32) hours of paid leave at a rate of eight (8) hours per month to remain eligible for paid health insurance.

34.4 Cancellation of Leave of Absence. The University may cancel a leave of absence if it establishes that the employee is using the leave for purposes other than those specified at the time of approval, or where there are exigent circumstances requiring the employee’s return to work. The University will provide written notice to the employee that a leave of absence has been cancelled, which will set a date for the employee’s return to work. Unless otherwise agreed, the employee’s failure to return to work on the date prescribed will be considered job abandonment. The University will pay the expense for an independent medical exam to determine an employee’s ability to return to work, if earlier than the date prescribed.
34.5 **Benefits During Leave.** An employee on a leave of absence who uses less than eight (8) hours of paid leave during a month is responsible for paying the entire premium cost (both the University and employee shares) of his or her health insurance during an approved leave of absence.

34.6 **Reinstatement.** Employees returning to work following an approved leave of absence will be returned to the position they held prior to the leave of absence or to another position in the same classification; provided that in the event the employee’s position is eliminated during the time the employee is on leave, he or she will be notified and provided a time period in which to exercise any rights available pursuant to Article 39 – Reduction in Force.

**ARTICLE 35 – OPEN POSITIONS**

35.1 **Opportunities for Internal Applicants.** The University recognizes the importance of creating and maintaining opportunities for career advancement for qualified employees. When a bargaining unit position becomes available that the University intends to fill, the University will give priority consideration as provided in this article to qualified classified employees who have applied to transfer, promote or demote into the position. If the University elects to leave an open position unfilled, the University will notify the Union of that fact.

35.2 **Posting of Vacant Positions.**

35.2.1 Vacant positions will be posted for a period of at least seven (7) calendar days, during which time internal and external applicants may apply. The posting will include, at a minimum, a description of the work to be performed, the requirements of the position, the rate of pay and the shift.

35.2.2 The University will continue to post vacant positions in the current manner. The same notification will be electronically submitted to the Union.

35.2.3 Registers created for each open position will be maintained for twelve (12) months.

35.3 **Consideration of Applicants.** The appointing authority recruiting to fill a vacant position will determine the number of names certified for the position. If there are three (3) or more qualified internal applicants for a position, including employees wishing to transfer, promote or demote into the position, the appointing authority will interview, at a minimum, the three (3) most qualified internal candidate(s). If there are fewer than three (3) qualified internal candidates for a position, the appointing authority will interview all such candidates. In either case, internal applicants will be interviewed prior to any external candidates.
ARTICLE 36 – PROBATION AND TRIAL SERVICE

36.1 Probationary Period. Upon each employee’s initial appointment into a position within the bargaining unit, the employee will serve a probationary period which allows both the University and the employee to consider the employee’s suitability for the position in light of actual job experience.

36.1.1 The probationary period for employees hired into classifications other than campus police officer will be six (6) months. The probationary period for campus police officers will extend for twelve (12) months following the successful completion of the Washington State Criminal Justice Training Commission Basic Law Enforcement Academy. In the event the employee is on leave without pay and/or shared leave for more than ten (10) working days during the probationary period, the period will be extended by the cumulative total of any such leave. In addition, the probationary period may be extended by up to six (6) months by mutual agreement between the University and the Union.

36.1.2 During the probationary period, an employee serves “at will” and may be terminated or disciplined without notice and without recourse to the grievance procedure.

36.2 Trial Service. Employees who are promoted or transferred at their request to a new position within the bargaining unit will serve a trial service period of six (6) months. In the event the employee is on leave without pay and/or shared leave for more than ten (10) working days during the trial service period, the period will be extended by the cumulative total of any such leave. An employee whose position is reallocated to a higher job classification based on a determination that the employee has been performing the job duties of the higher classification will not be required to serve a trial service period.

36.2.1 If, during the trial service period, the University determines that an employee is not succeeding in a new position, the employee will be offered the right to revert to a bargaining unit position in a classification in which the employee previously held regular, cyclic or project status and for which the employee still meets the minimum qualifications that is vacant or filled with a temporary or probationary employee. In the event no such position is available, the employee will be permitted to revert to the position he or she held immediately prior to the trial service period; provided that if the position has been eliminated, the employee shall be terminated, and placed on a layoff list for any positions into which he or she would have reversion rights under this subsection.

36.2.2 The University’s determination that an employee has not succeeded in a position during a trial service period may not be challenged through the grievance procedure.
ARTICLE 37 – PERFORMANCE EVALUATIONS

37.1 Purpose. The purpose of employee performance evaluation is to develop and maintain communication between the employee and his or her supervisor. This communication is intended to achieve a mutual understanding of past performance and an agreement concerning the focus and objectives for future performance.

37.2 Frequency of Evaluations.

37.2.1 Employee work performance will be evaluated during probationary and trial service periods and annually thereafter.

37.2.2 Unless otherwise agreed, the employee who has successfully completed his or her probation or trial service period will be evaluated annually within thirty (30) calendar days of their anniversary date. In the event that an employee’s evaluation is not completed within this timeframe, the employee’s performance will be considered satisfactory for the prior review period.

37.3 Evaluation Process.

37.3.1 At the time of hire into a new position, an employee will be provided with a copy of his or her job description, class specification, performance expectations and performance rating factors.

37.3.2 At the time of hire and annually thereafter during the employee’s annual review, the immediate supervisor will discuss with the employee job duties and performance expectations for the coming review period. The employee will be notified of any modifications to the job duties or performance expectations made during the review period.

37.3.3 As part of the performance evaluation process, employees will be provided with a written performance evaluation in a form selected by the University, which will include a signature line for the employee to acknowledge receipt of the evaluation and a space to record the employee’s comments regarding the evaluation. The employee’s supervisor will meet with the employee to discuss the evaluation and the reasons for it. Once completed, the performance evaluation, including the employee’s comments and those of any reviewer in addition to the employee’s supervisor, will be copied for the employee and maintained in the employee’s personnel file.

37.4 Grievances. The employee may not challenge the content of any performance evaluation through the grievance procedure in Article 41.
ARTICLE 38 – DISCIPLINE

38.1 **Just Cause.** The University will not discipline any employee who has completed the probationary period without just cause.

38.2 **Types of Discipline.** Discipline includes corrective action, oral and written reprimands, reductions in pay, suspensions, demotions, and discharges. An oral reprimand will be identified as such.

38.3 **Employee Privacy.** When disciplining an employee, the University will make a reasonable effort to protect the privacy of the employee.

38.4 **University Investigations of Suspected Misconduct.**

38.4.1 The University will not discipline or take corrective action against employees based on alleged or suspected employee misconduct without first conducting an appropriate investigation. The University shall investigate and dispose of reports of suspected employee misconduct in an orderly and timely fashion. Within thirty (30) working days of the time management suspects that misconduct may have occurred, the University will notify the employee that an investigation has been commenced, and the subject matter of that investigation; provided that this timeline shall not require disclosure of an investigation being conducted by law enforcement, the attorney general’s office, or another agency with investigative authority. If a complaint against an employee forms the basis for an investigation, the employee will be notified during the investigation of the identity of the accuser unless such disclosure is prohibited by law, would compromise the investigation or would endanger the safety of the accuser.

38.4.2 Upon request, an employee has the right to a Union representative at an investigatory interview called by the University if the employee reasonably believes discipline could result. An employee may also have a Union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. If no representative is available, the meeting will be rescheduled.

38.4.3 The role of the Union representative in regard to University-initiated investigations is to provide assistance and counsel to the employee and not interfere with the University’s right to conduct the investigation. Every effort will be made to cooperate in the investigation.

38.4.4 Employees placed on an alternate assignment during an investigation will not be prohibited from contacting their Union steward unless there is a conflict of interest, in which case the employee may contact another Union
steward. This does not preclude the University from restricting an employee’s access to University premises.

38.5 **Pre-Disciplinary Notice.** Prior to imposing discipline involving a loss of pay or termination of employment, the University will inform the employee in writing of the reasons for the contemplated discipline and an explanation of the evidence. The University will provide the Union with a copy. The employee will be provided an opportunity to respond either at a meeting scheduled by the University, or in writing if the employee prefers. A pre-disciplinary meeting with the University will be considered time worked.

38.6 **Notice of Reduction in Pay, Demotion or Suspension.** The University will provide an employee with fifteen (15) calendar days written notice prior to the effective date of a reduction in pay, demotion or suspension.

38.7 **Grievance of Disciplinary Action.** The University has the authority to impose disciplinary action. Employees who have completed probation may challenge disciplinary actions more severe than oral reprimand through the grievance procedure in Article 41.

38.8 **Job Abandonment.** When an employee has been absent without authorized leave and has failed to contact the University for a period of three (3) consecutive days, the employee is presumed to have abandoned his or her position. The University will make reasonable efforts to contact the employee during this three (3) day period. The University will separate the employee by sending a separation notice by certified mail to the employee’s last known address. The employee will have seven (7) days from the date the notice was mailed to petition the University in writing if he or she wishes the University to consider reinstatement. The petition must provide proof that the absence was involuntary or unavoidable. Denial of a request for reinstatement may be challenged through the grievance procedure in Article 41.

**ARTICLE 39 – REDUCTION IN FORCE**

39.1 **Purpose and Notice.** In the event that the University determines that financial or operational needs require a layoff is necessary, the University will identify the specific position(s) affected by the layoff, and will provide a minimum of thirty (30) days notice to the employee(s) holding positions designated for layoff. The notice will identify whether the layoff is caused by financial or operational needs, and will be copied to the Union. During the notice period, the Union may suggest alternatives to the layoff. For purposes of this article, a reduction in the regularly scheduled hours of a position will be considered a layoff, and will permit an affected employee to exercise the rights identified in Section 39.3 below.

39.2 **Voluntary Alternatives to a Layoff.** As part of its consideration of alternatives to a layoff, the University will consider employee requests to voluntarily reduce hours, transfer, demote or take leave without pay.
39.3 Regular and Cyclic Employee Layoff Rights.

39.3.1 Options In Lieu of Layoff. Regular and cyclic employees who have completed their probationary period and who are designated for layoff shall be given the option to move to one of the following positions in lieu of layoff, if that position is available:

(a) Full-time, regular positions in a class(es) in which the employee has held permanent status; or

(b) Full-time, regular positions in a lower class(es) in the same series for which the employee is qualified.

As an alternative to the full-time, regular positions, employees may elect to have access to positions that are part-time or cyclic by making such a request in writing.

39.3.2 Available Positions. A position is available under this section if it is a position for which the employee designated for layoff meets any special requirements included in the job description, and the position is vacant or:

(a) Held by the least senior person in the classification; and

(b) Held by an incumbent employee with less seniority than the employee designated for layoff.

39.3.3 Notification of Options. Employees will be presented, in writing, with a choice among the three (3) highest paid and available positions into which they may move. Employees shall have three (3) working days in which to notify the Human Resources Department of their intent to accept an option in-lieu of layoff or to request placement on the layoff list. Employees who do not accept an option within three (3) working days will be deemed to have waived all such options, and will be laid off. Following the option period, a written notice of at least fifteen (15) calendar days shall be given prior to layoff or action taken in-lieu of layoff.

39.4 Project Employee Layoff Rights.

39.4.1 Project employees designated for layoff shall have layoff rights within their project. Options available within the project will be determined using the procedure outlined in Section 39.3.

39.4.2 Employees who have successfully completed probation in a regular or cyclic position and who accept employment in a project position without a break in service shall have the layoff rights associated with the position they held immediately prior to accepting project employment.
39.5 **Return from Layoff.** Layoff lists shall be University wide, by class, with employees ranked according to seniority. The names of permanent and probationary employees who are scheduled for layoff, have been laid off, or have accepted another appointment in lieu of layoff shall be placed on the layoff list(s). Employees will be placed on the list(s) for the class(es) in which they have held permanent status and all lower classifications in these class series. No open position in a job classification will be posted by the University, and no temporary position in a job classification will be filled, until all employees on the layoff list for that classification have been offered reemployment in the open or temporary position. The term of eligibility for each name on the layoff list shall be two (2) years from the date the employee's name is placed on the layoff list, with an extension of an additional year upon written request of the eligible employee. An offer of reemployment into the employee's previous job classification shall be made in writing and sent by registered or certified mail to the employee.

39.6 **Benefits Following Recall.**

39.6.1 **Salary.** An employee appointed from a layoff list shall assume the salary step held at the time of layoff if he or she is returned to the same class occupied immediately prior to layoff unless this represents a salary reduction for the employee. If an employee accepts a layoff list option the employee's salary at the time of layoff shall be retained provided it does not exceed the top step of the classification.

39.6.2 **Sick Leave and Seniority.** An employee appointed from a layoff list shall be credited with sick leave and seniority accrued at the time of layoff.

39.6.3 **Increment Date.** An employee appointed from a layoff list shall have their periodic increment date extended by an amount of time equal to the period of layoff in order to give credit for time served in a salary step prior to layoff.

**ARTICLE 40 – SENIORITY**

40.1 **Seniority Date.** Seniority will be based on the employee’s date of hire for his or her most recent period of continuous state employment.

40.2 **Adjustment of Seniority Dates.**

40.2.1 **Veterans Preference.** Employees who have completed probation and who are veterans or the unmarried widows/widowers of veterans shall have added to their seniority their total active military service (or that of their deceased spouse), not to exceed (5) years. For purposes of this article, the term “veteran” means any person who has one (1) or more years of active military service in any branch of the armed forces of the United States or who has less than one (1) year’s service and is discharged with a disability.
incurred in the line of duty or is discharged at the convenience of the government and who, upon termination of such service, has received an honorable discharge, a discharge for physical reasons with an honorable record, or a release from active military service with evidence of service other than that for which an undesirable, bad conduct, or dishonorable discharge is given.

40.2.2 Unpaid Leave. Approved unpaid leave shall not result in a break in service, but will result in adjustment of an employee’s seniority date on a day-for-day basis for each day the employee spends on unpaid leave; except as follows:

(a) Cyclic employees will not have their seniority dates adjusted because of their regularly scheduled period(s) of unpaid leave.

(b) Employees who are receiving time loss benefits through workers’ compensation, and who are not augmenting those time loss benefits through use of other paid leave, will not have their seniority date adjusted unless their time in such status exceeds six (6) months.

(c) Employees will maintain their seniority date during a period of unpaid military leave as required by applicable law.

40.2.3 Layoff. Time spent in layoff status will not be considered a break in service if the employee is recalled to work from a layoff list. Upon recall from a layoff list, an employee’s seniority date will be adjusted by the period of time the employee spent in layoff status.

40.3 Ties. Ties in seniority will be broken by the following criteria in the following order: length of continuous service in the current job classification; length of continuous service with the University; length of total accumulated time in state service; by lot.

ARTICLE 41 – GRIEVANCE PROCEDURE

41.1 Purpose. The Union and the University encourage problem resolution between employees and management, and are committed to resolving disputes at the earliest opportunity and at the lowest level possible.

41.2 Definition of Grievance. A grievance is a dispute between the University and the Union, on its own behalf or on behalf of an employee or group of employees, over an alleged violation, misinterpretation or misapplication of an express term or provision of this Agreement.

41.3 Time Limits.

41.3.1 Time limits within the grievance procedure may be waived or extended by the mutual agreement of both parties. If the Union, on behalf of the
employee(s), fails to act or respond within the specified time limits, the grievance will be considered waived. If the University fails to respond within the specified time limits, the grievance shall proceed to the next step of the grievance procedure.

41.3.2 The day after the event, act or omission shall be the first day of a timeline under this article. In the event a time limit under this Article ends on a weekend or holiday, the deadline will automatically be extended to the following University business day.

41.3.3 Submissions will be considered timely under this Article if they are received by 5:00 p.m. on the last day called for under an applicable time limit.

41.4 Submission of Grievances and Responses. All grievances and requests for arbitration must be submitted to the University’s chief human resources officer or designee, by fax, hard copy, and/or electronic mail, who will be responsible for distributing the grievance or request to the appropriate University representative for response. All University responses will be submitted to the Union’s Spokane business office by hard copy or fax.

41.5 Employee Representation. Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. The grievance will state the name of the employee or the names of the group of employees. The Union, as exclusive representative, is considered the only representative of the employee in each step of the grievance procedure and at any meetings scheduled to discuss a grievance. The Union has the right in each step of a grievance to designate the person who will represent the employee on behalf of the Union.

41.6 Informal Resolution. Employees are encouraged to attempt to resolve complaints through informal discussion with their supervisors prior to filing a grievance.

41.7 Step 1. Regardless of the status of any informal discussion regarding a grievance, the Union, on behalf of the aggrieved employee(s), shall submit the grievance in writing to the Human Resources Office within twenty-eight (28) calendar days of the day the employee or Union knew or reasonably should have known of the events giving rise to the grievance. Unless mutually agreed otherwise, following the submission of the grievance at step one the Union, grievant(s) and the appropriate University representatives will meet to clarify the issues raised in the written grievance and/or to explore options for resolving the grievance. The written statement shall include the facts giving rise to the grievance, the section(s) of the Agreement allegedly violated, and the remedy sought. The appropriate Administrative Head or designee shall respond to the grievance in writing within fourteen (14) calendar days of its receipt.

41.8 Step 2. Should Step One fail to resolve the grievance, within fourteen (14) calendar days following its receipt of the Administrative Head’s or designee’s response, the
Union shall submit the written grievance to the Human Resources Office for consideration by the appropriate Vice President, the Provost or the President, depending on the employee’s chain of command, or the officer’s designee. The appropriate officer or designee shall respond in writing to the grievance within fourteen (14) calendar days following its receipt. Unless mutually agreed otherwise, following submission of the grievance at Step Two, the Union, grievant(s) and the appropriate University representatives will meet to discuss the issues raised in the original grievance and/or to explore options for resolving the grievance.

41.9 **Step 3.** Should Step Two fail to resolve the grievance, the Union shall submit a written request to the University to arbitrate the grievance within fifteen (15) calendar days after its receipt of the officer’s or designee’s response.

41.10 **Pre-Arbitration Review.** Within fifteen (15) calendar days of the receipt of the arbitration demand, the University will discuss with the Union whether the parties wish to meet to review and attempt to settle the dispute. If the parties do not agree to conduct such a meeting, the University will confirm that fact in writing to the Union.

41.11 **Arbitrator Selection.**

41.11.1 Within fifteen (15) calendar days following a pre-arbitration review meeting or the Union’s receipt of written notice that no meeting will take place, the parties shall confer and attempt to agree on a neutral arbitrator. If unable to reach agreement, they shall request a list of eleven (11) arbitrators from the American Arbitration Association (“AAA”). The list shall be limited to arbitrators from Washington and/or Oregon.

41.11.2 Within fourteen (14) calendar days following the receipt of the list of eligible arbitrators, the parties’ representatives shall meet to select an arbitrator. The parties shall each strike five arbitrators from the list in an alternating order, and the remaining arbitrator shall hear the dispute. The party exercising the first strike shall be the loser of a flip of a coin.

41.12 **Rules Governing Arbitration.**

41.12.1 Unless otherwise agreed by the parties, challenges to the procedural arbitrability of a grievance shall be resolved in a proceeding separate from and prior to arbitration on the merits of the grievance. Within fourteen (14) calendar days following receipt of an arbitrator’s decision ruling that a challenged grievance is subject to arbitration, the parties will begin the process described in Section 41.11 to select an arbitrator to rule on the merits of the grievance.

41.12.2 The arbitrator will:
(a) Be limited to interpreting and applying the terms of this Agreement, and will have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;

(b) Be limited in his or her decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;

(c) Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement;

(d) Not have the authority to order the Employer to modify its staffing levels or to direct staff to work overtime.

41.12.3 Arbitrations will take place in accord with the Labor Arbitration Rules of AAA unless the parties agree otherwise in writing. The arbitrator will have the authority to require the presence of employees and/or documents.

41.12.4 The arbitrator shall issue a written decision to the parties within thirty (30) calendar days of the close of the hearing or the submission of post-hearing briefs, whichever is later. The decision shall be final, conclusive and binding on the University, the Union and the employees; provided that the decision does not include action by the arbitrator beyond his or her jurisdiction.

41.12.5 Arbitration Costs.

(a) The expenses and fees of the arbitrator and the cost (if any) of the hearing room will be shared equally by the parties.

(b) If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements and/or cancellations will be shared equally by the parties.

(c) If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.

(d) Each party is responsible for the costs of its staff representatives, attorneys, and all other costs related to the development and presentation of its case. When an employee is subpoenaed as a
witness on behalf of the Union in an arbitration case, the employee may appear without loss of pay if he or she appears during his or her work time; provided the testimony given is relevant and related to his or her job function or involves matters he or she has witnessed. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant and its representatives.

41.13 Documents Relating to Grievances. Documents related to the processing of a grievance will be maintained and filed separately from the personnel files of the employee(s). Documents relating to disciplinary actions that are later reversed will be removed from the employee’s personnel file and any other related files within fourteen (14) calendar days and destroyed or given the employee.

42.3 Committee Composition. The Union-Management Communication Committee will consist of up to four (4) bargaining unit employees selected by the Union, a Union staff representative, and up to five (5) representatives selected by the University. The Union will provide the University with the names of employee representatives participating in committee meetings at least fourteen (14) calendar days in advance of the meeting date.

42.4 Release Time and Expenses for Committee Meetings. The University will release employee representatives for time spent in committee meetings, and for an additional hour of preparation time immediately prior to a scheduled meeting. Employees attending committee meetings during their scheduled work time shall suffer no loss in pay. Time spent by employees attending committee meetings outside their scheduled work time will not be considered time worked and will not result in additional
compensation. The parties are responsible for paying any travel or other expenses incurred by their chosen representatives.

42.5 Scheduling of Meetings. Either party may request a meeting of the Union-Management Communication Committee by sending a written request, including a description of the issue(s) to be addressed, to the other party. Requests directed to the University will be submitted to the University’s chief human resources officer; requests directed to the Union will be submitted to the Union’s Spokane business office. To facilitate scheduling, requests sent by the Union will include a list of the employees it has selected to act as its representatives at the meeting. When requested, a committee meeting will be scheduled at a mutually acceptable time and place. Absent mutual agreement, the committee will not meet more than once per quarter.

42.6 Minutes. The University will designate a person to prepare summary minutes of committee meetings. The content of the summary minutes, which will consist of the issues discussed and the outcome of the discussion, will be discussed by the committee at the conclusion of a committee meeting. The final minutes will be posted on the University’s labor relations website.
