Greek Week 2010 – Flag Football Rules

EQUIPMENT
1. The IM program will supply all flag belts, balls, & officials necessary.
2. No metal or metal tipped cleats are allowed.
3. MOUTH PIECES ARE REQUIRED and must be worn at all times. Players without them are not allowed to participate under any circumstances!

GAMES, PLAYERS, & FIELD
1. Games will consist of two halves, running time, of 15 minutes each. The clock will stop only when a team calls a timeout – each team is allowed two per game – and if the official stops the game at their discretion. A half may not end on a defensive penalty.
2. Forfeit time is 5 minutes after scheduled game time.
3. The field will measure 75 yards long by 35 yards wide and will have a 10-yard end zone at each end. It will be divided into 3 equal sections of 25 yards each. The offensive team shall have 4 downs to score or move into the next zone to get a first down.
4. Play will begin at the 10-yard line to begin each half or after a score or a safety.
5. A team will consist of 8 players with at least 7 needed to start and continue play
6. All players on the field must have a complete flag belt with 3 full-length flags. Any player caught with their flag belts tied or deliberately shortened will be penalized for Unsportsmanlike Conduct and may be ejected.
7. Only Team Captains may confer with the game officials!!!!!
8. Scoring shall be: Touchdown = 6 pts; PAT (6 yard line) = 2 pts; Safety = 2 pts.

SPECIAL RULES
1) No direct snaps. The ball must be snapped in the shotgun formation.
2) No direct handoffs are allowed. Once snapped, the ball must be passed or pitched. The player receiving the center snap may not advance the ball across the line of scrimmage except when receiving a legal forward pass after a legal pitch to a teammate.
3) If a runners flag inadvertently comes off when running, the ball will be placed down at the spot where they came off. If an eligible receivers flags come off while running a route, the ball will be placed at the spot of the reception.
4) Only 1 player may be in motion at the time of the snap and they must be moving parallel or away from the line of scrimmage.
5) Both teams must have exactly 4 players on the line of scrimmage and they must line up within 5 yards to either side of the ball. Players on the line must line up with their hands on their knees. No 3 or 4-point stances!
6) No player may cross the line of scrimmage within 5 yards of either end of the four lineman unless the ball is pitched by the quarterback to another offensive player.
7) BLOCKING RULES:
   a) Blockers may not leave their feet in for any reason.
   b) They may extend their arms but must keep their hands inside the shoulders of the opponent and may not use their hands to hold or grab the opponent.
   c) Absolutely no blocking below the waist. Any player guilty of this rule will be ejected.
   d) Use of the shoulder to “shoulder block” will be not permitted and will result in an ejection
8) Ball carriers may not stiff-arm, slap, strike, or push away a defender's hands from reaching for their flag belt. The ball carrier may not leave their feet to hurdle or run over a player intentionally.

9) Defensive rushers may not make contact with the passer but must go for the flag or the pass block. They may jump to block a pass but may not leave their feet to hurdle a blocker or tackle an opponent. If while going for the pass block the rusher makes contact with the passer it shall be the officials' decision as to whether the contact might have been avoided and which penalty to call.

10) Defenders may not hold a runner or push a runner out of bounds in order to stop their advance. They must go for the flags at all times!

11) Fumbled balls or muffed snaps will be dead at the spot in which they hit the ground.

12) Interceptions will be declared dead at the spot of the interception.

13) When a team reaches a lead of 25 points or more any time after the 10-minute mark of the second half, the game will be stopped.

14) Receivers must have 1 foot in bounds in order to make a legal catch.

15) Punts must be declared prior to the snap. No rush will be allowed on any punt and the ball will be dead upon hitting the ground or being touched by a member of the receiving team. No run backs are allowed on punts.

16) All tie round-robin games will remain a tie. Playoff tie-breaker: Each team will be allowed 4 downs starting from the 20 yard line in which to score a touchdown. The winner of the coin flip has the choice of offense or defense to start. The same order will be followed throughout all subsequent overtime series.

**Major Penalties:** 15 yards & auto ejection:

1. Unsportsmanlike conduct - includes loss of down or auto first down.
Penalty Descriptions:

Delay of Game: Even though there is no play-clock, the Referee needs to get the players out of the huddle and to the line of scrimmage in a consistent manner. If the Referee thinks a team is taking too long, first warn them and then throw the flag. Teams should run a play every 30 seconds.

Illegal Forward Pass: There may be only one forward pass on each offensive play, including shovel passes.

Illegal Handoff: Remember, the person receiving the snap must “pitch or pass” and a legal pitch must travel at least three feet in the air.

Tackling: When a defender grabs the person with the ball while trying to strip them of their flags. Remember, we are playing “Flag Football” and not tackle football!

Charging: When a runner deliberately attempts to “bowl over” the defender. The runner must try to avoid the defender at all times and may not run them over in an attempt to get around the defender.

Runner Leaving Their Feet: Runners may not dive to gain yardage or stick the ball over the first down line or goal line. Remember, in Flag FB it is where the flag belt is and not the ball or person.

Roughing the Passer: When a rusher creates contact with the QB while they are in the act of throwing. It does not matter if the ball is tipped or blocked - they may not make contact with the QB under any circumstances! If the Referee feels as if the contact was intentional, an “Unsportsmanlike Conduct” penalty & ejection will be assessed.

Illegally Stripping the Flags: When a defender prematurely pulls an offensive player’s flag belt.

Flag Guarding: When a runner attempts to block his flag belt from the defender by running with the arms covering the flags. Runners may not slap or push a defenders arm or hand away as they try to grab the flags.
