2010 Faculty, Staff & Friends Summer Golf Rules & General Information

#1 Rule – FAST PLAY REQUIRED!! Please keep up with the group ahead. Maintain speedy play and do not stop to search for lost balls for more than a couple of minutes PLEASE!!!

Summer Golf Schedule
All on Thursdays with groups teeing off every 8-9 minutes from 11:30am till through
- June 17th – Fairways GC (Scramble, Yellow/White Senior Tees)
- June 24th – Downriver GC (Scramble, No Senior Tees)
- July 1st – Indian Canyon (Scramble, No Senior Tees)
- July 8th – Meadowood (Scramble, No Senior Tees)
- July 15th – Hangman Valley (Scramble, Gold Senior Tees)
- July 22nd – Liberty Lake – (Scramble, No Senior Tees)
- July 29th – Fairways GC (Player’s Tournament, Individual Play, 8am Shotgun Start)

Scoring system: Each team must turn in a score for at least 5 of the 6 team scrambles to be eligible for their divisional championship. Teams that play in all 6 scramble rounds, and follow all necessary rules of eligibility, will count their top 5 weekly team scores towards their team total while dropping their lowest total of the 6 rounds, giving teams playing all 6 scramble rounds an added advantage over those choosing to play only five.

General Rules:
- Each team will be allowed to play one of the first 5 scramble weeks on an alternate day or time without penalty. After that, there will be a 10-point penalty for the second infraction, 15-points for the third. All makeup rounds must be turned in to the League Director by July 20th to be eligible.
- EWU Students, Faculty/Staff, Alumni, Spouses & family members are all eligible.
- Each team is allowed one non-EWU player.
- Players pay their own green fees weekly. Special coupons and city passes may not be used for this league.
- Coed teams must have 2 male and 2 female players at all times while Women’s teams must be all female.
- Substitutions are OK with prior approval from the League Director
- SENIOR TEES: If the course of the week has designated SENIOR TEES, all players over the age of 60 may use them, regardless of that courses’ definition of “Senior”. Otherwise, all players must hit from the regulation white tees.

Team Scramble Rules:
- Teams with less than the required 4 players MAY NOT take an extra shot
- Each player tees off on every hole. The best drive will be selected and all players will hit from within one club length of that spot. This format will continue until the ball reaches the green. A ball in an out-of-play area, water-hazard or otherwise unplayable (under a tree, against a fence, etc) may not be used. The original ball chosen may not be moved and must be played as it lies.
- Once on the putting surface, a ball must be selected for play with all players putting from that spot. Players may not practice putt, roll a ball to check the line, or any other method to get a better “read” other than their normal lining up of a putt.
- Scoring: Double Eagle/Hole in One – 25 pts; Eagle – 10 pts; Birdie – 5 pts; Par – 3pts; Bogey or worse – No pts
- Five person groups are no longer allowed due to local course requests as well as our desire to keep play moving.
